Junior Chefs of America, Inc. A 501(c)3 Organization

## SPONSORSHIP LEVELS

To successfully continue our annual event, Junior Chefs of America, Inc. (a nonprofit organization) is seeking sponsorship from your company. With your help, we will continue to maintain the high level of excellence and achievement of previous years. Our aim is to increase awareness to younger chefs each year in the culinary field. Consider your sponsorship as an investment that will help develop the skills necessary to jump start a great career that is both rewarding and greatly admired by all. We all love to eat. When we eat from the best chefs, we can all agree on the level of satisfaction that happens. Your sponsorship funds put our teens closer to their journey of becoming a true chef!
